December 2018

Dear TAMA Members,

TAMA is committed to our role in promoting the common business interests and general welfare of the convenience service industry - vending, micro market, food service and coffee service - in Tennessee. Why should YOU renew your membership?

As the industry is faced with continuing legislative and regulatory challenges at the state and local levels, the Board of Directors, along with TAMA Lobbyist Martha Gentry, and Jason Eberstein and Wes Fisher, NAMA's Government Affairs team, are working together to watch out for our interests on legislative issues. TAMA will again host a Lobby Day in Nashville when ALL members are encouraged to engage with elected officials and develop relationships at the Capitol. It is our opportunity to put a face on the industry and have meaningful conversations about changes in legislation that may affect our businesses on a state and local level. We will send information to you as soon as arrangements are finalized. In order to successfully protect the interests of the industry in the coming year, TAMA will need everyone's support!

We ***strongly urge*** you to continue your support of the association in order to make a difference at the State Capitol. Membership is very reasonable and will go a long way in supporting the interests of the vending operators of Tennessee.

Sincerely,

TAMA

Governors
